

A Summer Journey Through Greece — One Sip at a Time

Greece is not just a place. It's a feeling, a scent carried on the wind, a taste that lingers like a memory. This cocktail collection is an ode to the land itself — a sensory playlist curated for the most beautiful season of the year.

From wild herbs gathered on sun-drenched hills to fruits ripened under the Aegean sun, every drink in this menu tells the story of a region, a season, a moment worth savoring.

To help you navigate this experience, we've crafted four distinct families of cocktails:

Short and Fresh

Crisp, vibrant, and easy to sip — these thirst-quenchers are made with fresh, local ingredients and are perfect from noon till sunset.

Aegean Escapades

A bold celebration of Greek summer. Juicy fruits, island botanicals, and spirited blends that capture the carefree joy of seaside life.

Sober & Serious

Non-alcoholic, yet full of flavor. Crafted with as much care as their boozy counterparts, these creations are made for daytime elegance and mindful indulgence.

Tea Champagne

Effervescent, floral, and distinctly Greek — sparkling cocktails built around native herbal teas, fermented fruits, and zero-proof finesse.

Wherever you begin, your next favorite drink is somewhere here. Taste them all — and let the summer play on.
