

MASTER WINE LIST

Beneath the ever-watchful gaze of the Aegean sun, and just above the ancient whispers of lost Atlantis, lies a land carved by fire and sea. Santorini, half dream, half memory, rises from volcanic ash like a myth retold in white and blue.

This island is more than a place. It is a breath. A rhythm. A pulse that has echoed through millennia.

Here, where vineyards cling to blackened soil and vines twist low to the ground in a loving dance with the wind, wine has always been more than a drink. It has been a story, a way of remembering, of honouring, of belonging.

The grapes of Santorini have known silence and salt, sun and shadow. They have listened to the winds of the Caldera and the songs of harvesters whose hands bear the patience of generations. Each bottle born from this earth is not merely fermented juice, it is the translation of time into taste. A trace of Atlantis. A shimmer of what was. A celebration of what is.

As the wine consultant of Sandblu, I have had the rare privilege to curate this collection of around 300 labels, each chosen with reverence and awe. Some are legendary, others nearly forgotten; a few are provocateurs, and many are poets in disguise. You will find bottles born of Santorini's ashes, treasures of the Greek vineyard, and rare gems from the great terroirs of the world.

But more than labels or vintages, *this list is an invitation*. To travel without moving. To taste what the ancients might have tasted. To raise a glass to the harvests of old and the hands of now.

It is a list for lovers and thinkers. For those who listen before they sip. For those who believe that a glass of wine, when shared at the right moment, can turn a night into a memory, and a meal into a story.

So here, under the starlit silence of Santorini, I welcome you. May you find something that speaks to your soul. And may it linger on your palate, in your heart, and always in your return.
